If a planning meeting is necessary for your event, you will be contacted with a date for your meeting, to take place at City Hall during regular business hours.

## CONDITIONS OF APPROVAL

Once your Special Event Permit Application has been approved, you will be sent a letter from the City Administrator's office which will include the Conditions of Approval for your event. You will be required to sign the Conditions of Approval prior to your event.

## OTHER PERMITS REQUIRED

Depending on the features of your event, you may be required to obtain other permits from such agencies as the Washington State Liquor and Cannabis Board (WSLCB), Island County Health Department, and the Oak Harbor Fire Department/Fire Marshal. Information on these additional permit requirements is listed in the Sections that follow. You may be required to provide the City of Oak Harbor with other permits obtained prior to the approval of your Special Event Permit, as indicated in each Section.

## GENERAL REMINDERS

Please remember that a Special Event Permit does not automatically create exemptions from the Oak Harbor Municipal Code. Below are a few reminders of codes related to Special Events. Click on the hyperlinked code reference to access the online code.

- Parades, Athletic Events and Other Special Events (OHMC Chapter 5.50): This is the portion of the code that deals specifically with Special Events.
- Temporary and Special Signs (OHMC Section 19.36.080): Please remember that any signage you place in the City to advertise your event is subject to the temporary sign code. If your Special Event includes a closure of SE Pioneer Way, you may request permission to attach banners for the duration of your event. Specifications will be made in your Conditions of Approval.
- Sale of beer, wine and/or liquor in city parks (OHMC Section 6.12.080): No alcohol may be sold or consumed in City parks, with the exception of a permit issued as a part of a Special Event, see Section E. If you would like to have alcohol as a part of your event, please plan ahead as permitting through the Washington State Liquor and Cannabis Control Board takes time.
- Park facility reservation system (OHMC Section 6.12.095): Applying for a Special Event Permit does not alter the provisions of this chapter. You are encouraged to make your facility reservations early as they are first-come-first-served. You may make a facility reservation prior to submitting your Special Event Permit Application; however please keep in mind that reservation fees are non-refundable. Please see Section F and accompanying form.

## SECTION A: INSURANCE REQUIREMENTS

The appropriate insurance documentation must be submitted with your Special Event Permit Application. In addition, Permittee will be responsible for any damage to the event site property, City facilities and equipment.

All events (with the exception of those protected by the First and Fourteenth Amendments of the US Constitution) meet minimum insurance

requirements. Depending on the features of your event, additional insurance may be required. There is a worksheet included with the Forms at the back of this guide to help you determine the types and amounts of insurance that may be required.

### **Proof of insurance:**

You must obtain and provide proof of insurance required for your event. You will be asked to provide a Certificate of Liability Insurance evidencing the types and amounts of insurance required, accompanied by proof that the City of Oak Harbor is an additional insured, using ISO Form CG 20 12 or coverage at least as broad. Your liability insurance must be in effect during all set-up and tear-down dates and times.

Following are types of insurance that may be required. Please refer to the Insurance Worksheet form for minimum amount requirements. Please note that depending on the features of your event, additional types of insurance and/or higher limits may be required, as determined by the City Attorney.

### **Events with alcohol:**

If your event will include alcohol service, you must obtain additional liquor liability insurance.

### **Events with fireworks:**

If your event involves a professional fireworks demonstration, you must require the pyrotechnician to provide liability insurance naming the City as an additional insured.

### **Events with inflatables / amusement rides on City property:**

If your event involves inflatables, such as bouncy houses, human hamster balls, etc., or professional amusement rides on City property, the professional amusement vendor must have liability insurance that names the City as an additional insured.

**Food service vendors involved with your event:**

If your event involves food service vendors, it is your responsibility to ensure the vendors have the proper insurance requirements for mobile food vendor service, such as liability insurance with products/completed operations coverage.

**Vehicles involved with your event:**

Any and all vehicles associated with your event, including but not limited to vehicles driving into parks to deliver goods, vehicles driving in parades, etc. must have auto liability insurance. You are encouraged to contact your insurance provider to arrange coverage for your Special Event. Your provider may email the electronic version of the required certificate and accompanying ISO Form CG 20 12 directly to [specialevents@oakharbor.org](mailto:specialevents@oakharbor.org).

Depending on the features of your event, you may be able to purchase event insurance through the Tenant User Liability Insurance Policy (TULIP) through One Beacon Entertainment. If you are interested in purchasing TULIP, please contact Special Events Permitting prior to purchasing the insurance, as there are many exemptions, including any type of ride / inflatable, involvement of water, events over 5,000 attendees, etc. If your event qualifies and you are interested in purchasing TULIP coverage, the following instructions will assist you in obtaining a quote and purchasing insurance:

**SECTION B: INDEMNIFICATION / HOLD HARMLESS AGREEMENT**

In order to complete the Special Event Permit Application, you must submit the notarized Indemnification/Hold Harmless Agreement. Notaries are available free of charge at City Hall. If you are paying in person at City Hall, you are encouraged to bring the Indemnification/Hold Harmless agreement with your payment and complete the notary onsite. See attached *Indemnification/Hold Harmless Agreement*. The person signing the Hold Harmless Agreement must be 18 years of age or older, an authorized representative of the organization, and must be the same person who signs the Conditions of Approval when your Special Event Permit is issued.

## SECTION C: EVENT / SITE / ROUTE MAP

For events that include any type of food vendor setup, beer garden, street closure, race route, etc., a map is required. If you are submitting a map similar to a previous year's event, please be sure it is properly updated. Please do not submit an illegible copy of another map. If you need assistance generating a map, please contact the Special Events Permitting Coordinator.

If you are having a built stage, fenced area, tent over 400 square feet, portable toilets, additional parking, etc., this must be documented on your site map. This will allow the Fire Department and Building Department to review for compliance with ADA laws, ingress/egress requirements, etc.

## SECTION D: PARKS RESERVATION SYSTEM

The Parks reservation system is governed by [OHMC Section 6.12.095](#). If your Special Event is taking place at a parks facility, you are required to make a reservation and pay the \$25.00 reservation fee. You may make the parks facility reservation in advance of submitting your Special Event Permit Application. The facility fee is \$25.00 per day and is non-refundable. See attached *City Parks Facility Reservation Form*.

- A reserved sign with your party's name will be posted on the facility you have requested. If you need access to the facility (for decorating purposes) prior to the date you have reserved, you must reserve the facility for the additional date(s).
- Check-out time is 10:00 PM.
- Please make sure to lock the facility when you leave by pressing the lock button on the keypad.
- The City of Oak Harbor reserves the right to assess an additional cleanup fee and/or repair fee if the facility is damaged and/or not left in an acceptable manner.

## SECTION E: ALCOHOL SALES / CONSUMPTION

The City, along with the Washington State Liquor and Cannabis Board (WSLCB), must grant permission for alcohol to be sold or consumed at public events.

### **Special Occasion License:**

The sale, service and consumption of alcoholic beverages are subject to Washington State Liquor and Cannabis Board (WSLCB) regulations, licensing, and permit requirements.

Special Occasion licenses are issued to non-profit societies or organizations holding an event at which alcohol is sold by the drink.

Your event may require a different type of permit. Please visit the WSLCB website: [www.liq.wa.gov](http://www.liq.wa.gov) for additional information. A copy of the permit must be filed with the City before your Special Event Permit can be issued.

### **Liquor Liability Insurance:**

If your event will include alcohol service, you must obtain additional liquor liability insurance, naming the City as an additional insured.

### **Site Map:**

Applicants must submit a beer garden site map. Plans are reviewed by Fire Department for assembly, occupancy, access, emergency egress and other approvals and permits. See Section C.

### **Beer Garden Operations:**

Alcohol sales, service, and consumption must be confined to designated location(s). Beer gardens must be separately fenced and have only one controlled public entrance with an additional exit only point.

Permit Holders must comply with the following conditions:

1. The sale, service and consumption of alcohol may occur between 8:00 a.m. and 10:00 p.m.

2. Hard alcohol may only be served when food is also available.
3. Alcohol is limited to beer, wine, and one signature cocktail.
4. Garden shall be enclosed with 6' high chain link fencing where security will not be present at all times. Where security will be present at all times, 42" high picket fencing may be used. Fencing should deter fence "hopping" and alcohol from being passed through.
5. Level of security staffing shall be sufficient to ensure compliance with state and local laws and shall require that every exit/entry be staffed to ensure that no alcoholic beverages are removed from or brought into the garden.
6. Sufficient lighting must be maintained so that identification may be checked and patrons may be observed for the enforcement of liquor laws.
7. When admitting entrants, security staff shall ensure that all persons present valid identification attesting they are at least 21 years old.
8. Post sign near garden entrance "Must be 21 years or older to enter".
9. Provide free pitchers of water.
10. All garden personnel must be at least 21 years old, including cleaning crew and performers.
11. Garden personnel shall not consume alcohol prior to their shift or while on duty.
12. Do not serve alcohol to intoxicated customers.
13. Stop all alcohol service at least 30 minutes before the event is scheduled to end.
14. When using unlicensed servers, "Responsible Beverage Service Training" must be provided.

## SECTION F: AMUSEMENT RIDE: INFLATABLE

An amusement ride includes any type of inflatable (i.e. bouncy house, human hamster ball, etc.), or any other type of ride / portable play apparatus, all of which are hereinafter referred to as "ride", both on City property, and outside City property as a part of a Special Event.

If you are planning to have a ride on City property, such as a bouncy house in a City park, even if you are planning on having less than 50 people at your event, you must obtain a Special Event Permit.

The City has the following requirements for all rides on City property or on private property as part of a Special Event:

1. The **ride** itself must be licensed through L&I and marked with the appropriate L&I inspection decal.
2. The **vendor** supplying the ride must be an L&I certified amusement ride operator (L&I website has a list of approved vendors).
3. The ride **operator** must be an employee of the vendor supplying the ride.  
*This means that you cannot rent a ride from a vendor and have adult volunteers operate the ride. The ride must be setup, operated by, and torn down by the vendor's staff member.*

If the ride is placed on City property, you must also provide the following:

- The **vendor's** certificate of insurance verifying the vendor's Commercial General Liability insurance naming the City as additional insured, with the following minimum limits:
  - a. Per Occurrence Limit: \$1 Million
  - b. General Aggregate Limit: \$2 Million

**\*\*This insurance from the vendor is in addition to the insurance that you must provide for your event (as explained in Section A).**

If your ride is going to be in a City Park, after we receive the above information, we will contact you regarding where the vendor can set up and operate the ride.

To view L&I licensing information, please visit: <http://www.lni.wa.gov/TradesLicensing/Electrical/AmuseRide/PermitInspect.asp>.

## **SECTION G: PROFESSIONAL CARNIVALS**

If your event includes carnival / amusement rides, you must meet the requirements above in Section F. Your event will also be subject to the Daily Carnival Fee as established by the City's Master Fee Schedule. This fee should be submitted with payment of your Special Event Permit Application fee.

## **SECTION H: FIREWORKS / PYROTECHNICS DISPLAY**

If your event will include Fireworks / Pyrotechnics Display, an additional permit is required from the City of Oak Harbor Fire Department with a fee determined by the Master Fee Schedule. You must remit payment of this fee and obtain the necessary permit from the Fire Department prior to approval of your Special Event Permit. As listed in Section A: Insurance, you will also be required to provide fireworks insurance.

## **SECTION I: FOOD SALES / FOOD CONSUMPTION**

The service of food at an event involves various permitting, licensing, and insurance. The following information will assist you with ensuring that your food vendors are compliant for your event.

As with any vendor selling any goods in the City of Oak Harbor, a food vendor must obtain a business license to operate here, even if it is for a one-day event. Business licenses can be obtained from the Finance Department, Utilities Office at City Hall. Information on City business licenses can be found on our website at <https://www.oakharbor.org/page.cfm?pageId=286>.

The main governing agencies for temporary and mobile food service are Island County Public Health, Washington State Department of Health, and Washington State Department of Labor and Industries.

For links to information on temporary and mobile food vendor regulations please visit the Island County Environmental Health page at <https://www.islandcountywa.gov/Health/EH/Pages/Documents.aspx>.

For information on food worker cards, please visit Washington State Department of Health at <https://www.doh.wa.gov/CommunityandEnvironment/Food/FoodWorkerandIndustry/FoodWorkerCard>.

For information on food truck and mobile food vendor licensing, please visit Washington State Department of Labor and Industries at <http://www.lni.wa.gov/TradesLicensing/FAS/FoodTruckTrailer/>.

As the event organizer, you are responsible to account for all the required documentation from your food vendors, including but not limited to their City business license; food service permits or exemption certificates; food worker card(s); L&I licensing documentation; and evidence of liability insurance, with products/completed operations coverage. You must provide a list of all of the food vendors associated with your event to Island County Public Health, c/o Sally Waters, [SallyW@co.island.wa.us](mailto:SallyW@co.island.wa.us), prior to your event. Your vendors may be inspected by Island County Public Health and by the City of Oak Harbor Fire Department.

If your event does not have food vendors but you are selling concessions or otherwise providing food to the public, you still must obtain the necessary permits.

If your event includes restaurants extending their service onto a temporary patio setup, the restaurant will be required to obtain a Temporary Use Permit separate from your Special Event Permit. The Temporary Use Permit can be obtained from the Development Services Department, please indicate to the Special Events Permitting Coordinator that the restaurant will be participating in your event.

As a part of your Conditions of Approval, you will be required to provide your vendors a letter from our Storm Water/Waste Water Compliance Inspector/Educator related to grease disposal, preventing storm drain spills, not dumping grey water, etc. More information can be found in Section N: Environment Impact below.

## **SECTION J: HYDRANT METER PERMIT**

If your event requests the use of water from one or more hydrant meters, you will need to submit the Hydrant Meter Permit and accompanying Use Agreement. The Hydrant Meter Use Agreement holds you, as the event organizer, liable for all of the associated Hydrant Meter Permit fees, water usage from the meter, as well as any damage that might occur during your event to the meter or the hydrant itself. By signing the Use Agreement, you are agreeing to remit payment for all of the fees and any damage after the conclusion of your event. You will receive an invoice from our Finance Department approximately one week after the conclusion of your event, with payment to be remitted upon receipt of the invoice.

## **SECTION K: PORTABLE TOILETS**

The provision of restroom facilities at any event is governed by the American with Disabilities Act. If you are adding portable toilets to an area with existing restroom facilities, or placing them in an area where there are no regular facilities, you must comply with the ADA requirements for number of handicap accessible toilets.

The ADA requires at least 1 accessible unit per cluster up to 20 units, or 25% of the total number of units with at least 1 per cluster. If your event will have only 1 unit, it must be ADA accessible. You will be required to provide an event map with the location of your portable toilets and which units are ADA accessible as a part of your application.

## **SECTION L: TENTS OVER 400 SQUARE FEET**

If your event includes a tent over 400 square feet, you will be required to obtain an additional permit from the Fire Department.

## **SECTION M: ELECTRONIC MESSAGE SIGN**

If you would like to request the use of the electronic message sign for your event, you must submit the *Electronic Message Sign Application*. The use of the electronic message sign is governed by RCW 67.28 and may only be used for those events and activities initiated with intent of promoting tourism, as the sign was purchased with tourism promotion funds. You must be able to substantiate how your event will draw tourists from off-island.

## **SECTION N: ENVIRONMENTAL IMPACT**

Due to Oak Harbor’s unique location and direct impact on the waters of the Puget Sound, it is necessary to be mindful of environmental impacts that can arise from Special Events. This includes grease created from the cooking of food; oil and gasoline from car shows and boat races; etc. If you are having food vendors at your event, you will be required to ensure your vendors comply with proper disposal methods. If you are organizing an event with vehicles or vessels involved you may have special Conditions of Approval. The Washington State Department of Ecology takes storm drain pollution and spills very seriously and as such your Conditions of Approval will reflect prevention measures required by the City.

## **SECTION O: SOLID WASTE DISPOSAL / RECYCLING**

Depending on the size and type of your event, additional solid waste disposal / recycling capacity may be required. If you need to hire additional dumpster(s), you must submit the *Island Disposal Dumpster Form* and remit the associated fees.

## **SECTION P: SAFETY PLAN**

It is necessary to be mindful of a safety plan for your event. For larger events, the minimum number of crowd managers shall be established at a ratio of one crowd manager for every 250 persons per the International Fire Code. Crowd managers should be trained, uniformed, adult volunteers. Depending on the size and features of your event, you may be required to submit a formal Safety Plan to the Fire Department. This will be determined at the planning meeting for your event, if necessary.

## **SECTION Q: NEIGHBORHOOD NOTIFICATION**

Event organizers must notify neighbors and businesses within 500 ft. of the event, (if applicable) at least two (2) weeks prior to the event. Notification should be in writing (email is acceptable) and include times when traffic/parking and/or noise may be affected in the area. Signature of your Conditions of Approval indicates you have completed the neighborhood notification and can provide copies of the notification and physical / email addresses where sent if requested.

## **SECTION R: STREET CLOSURE GUIDELINES**

If your event will include a street closure, a planning meeting will be necessary. You will be provided with specific requirements as part of your Conditions of Approval; please note the following guidelines will apply to all street closures:

- No paint may be used on any City sidewalk or street.
- Your planning meeting will determine what signs, cones, and barricades you will be provided for your event.
- Only Public Works staff and Police Department staff are authorized to close a street.
- Once barricades are in place, they cannot be moved unless directed by City staff and / or the Police Department.
- Street closures require advance “No Parking Notice”; once “No Parking Signs” have been placed by City staff, they cannot be altered by the event organizer.
- The neighborhood notification (Section Q) must specify the area of the street being closed and the event organizer must ensure affected residents are properly notified.

Please be sure to contact the Special Events Permitting Coordinator throughout the application process.
