

Notice of Application with Optional DNS

The City of Oak Harbor has received a permit application for the following project that may be of interest to you. You are invited to comment on this proposed project.

Date of permit application: February 6, 2016 & February 12, 2016

Date of determination of completeness: February 16, 2016

Date of notice of application: February 24, 2016

Comment due date: March 9, 2016

Project Description: The Oak Harbor School District Broadview Elementary is proposing rehabilitation of parking lot area, a new paved parking lot and stormwater improvements to the recently added portable units and one older building.

Project Location: Broadview Elementary 473 SW Fairhaven Drive, (R13203-463-3100)

Project Applicant: Oak Harbor School District 201

Permits: Site Plan (SIT-16-01), Civil Plan (CIV-16-01), SEPA checklist (SEP-16-01), Landscape Plan (PLN-16-01), Transportation Concurrency (TRC-16-01), Grading (GRA-16-01)

Environmental Review: The City of Oak Harbor has reviewed the proposed project for probable adverse environmental impacts and expects to issue a determination of nonsignificance (DNS) for this project. The optional DNS process in WAC 197-11-355 is being used. Since the Notice of Application is being combined with the SEPA determination, the comment periods are combined. Therefore, this is the only comment period on the environmental impacts of the proposed project.

Agencies, tribes, and the public are encouraged to review and comment on the proposed project and its probable environmental impacts. **Comments must be submitted by the date noted above to City of Oak Harbor.**

The following conditions have been identified that may be used to mitigate the adverse environmental impacts of the proposal: Existing development regulations will address many of the impacts of the proposal such as screening etc., however conditions on lighting, maintenance, future modification etc. may be identified during the review process.

SEPA: An environmental checklist (SEP-16-01) has been prepared for the proposal.

Preliminary determination of the development regulations that will be used for project mitigation and consistency: The proposal will be required to meet the applicable requirements of OHMC Title 19 Zoning.
