Smelt Fisherman

It won't be long until the smelt season starts here at the Oak Harbor Marina. Over the past few years we have noticed an increased number of people coming to fish for these tasty little fish. Once again, we will direct the fishermen out to south F dock and try to ensure that they clean up after themselves.

If you notice a fisherman fishing anywhere other than south F dock or making a big mess, please let us know. We also ask that you do not open the main gate or dock gates for them.

Reserved Parking Spot

The winner of this month's parking space drawing is Mr. Jim Doll. Mr. Doll will get the use of the parking space until February 1st. If you would like to enter the drawing please come by the office and fill out a registration slip.

The names of people not drawn will be left in the drawing box for next month.
