Basic Boating Class

The Deception Pass Sail & Power Squadron in partnership with the Oak Harbor Yacht Club will be offering a Basic Boating class. This class will help you qualify for your Washington State Boater Education card.

America's Boating Course

This two day class will be held at the Oak Harbor Yacht Club and is scheduled for Saturday March 19th & Saturday March 26th. The classes will go from 9:00 - 3:00 each day. A sandwich buffet lunch will be available and those wishing to partake may make a contribution to defray costs.

The cost of the class is \$60.00 and if your spouse or partner wants to share material it is an additional \$20.00

Some of the topics covered are:

- Docking
- Boat Operation
- Coast Guard Regulations
- Navigation

The presenter will be Steppe Williford from the Power Squadron. Please contact Steppe at (360) 279-1551 or steppen@frontier.com to make your reservation by March 12th.

Boat Sales

Recently we have had a number of boats sell in the marina. This has led to a number of billing issues because the sale has not been reported to the office.

Please remember that the person listed on the slip is responsible for all charges until both the seller and buyer register with the office. This usually only takes about 10 minutes but in the long run, can save us both a lot of headaches. If you are selling your boat please take the following steps:

1. Let the office know that your boat is for sale so that we can input the 30 days notice.
2. Keep the office updated.
3. Once sold, bring the new owner up to the office along with a copy of the bill of sale (if you are signed up for a contract).

We now have waiting lists for most size categories and live aboards. Please be aware that the slip and if applicable, live aboard privileges do not go with the boat. This means that the boat will have to leave shortly after the sale is finalized.

The best way to ensure a smooth and enjoyable sale is to let the office know that the boat is for sale and to keep us updated.
