Introducing Sabrina Combs

Sabrina Combs is the new Public Information Officer (PIO) for our City. She comes to Oak Harbor from the City of Bothell where she was the Sustainability and Projects Coordinator managing two solid waste contracts, sustainability programming and of course communications for the Public Works Division. She is a community engagement expert with a passion for communications.

She comes to Oak Harbor with a variety of experience working on communications projects, printed materials, outreach education, levy projects, billing, social media, and web design. During her twelve years at Bothell, she earned multiple awards from Community Transit, the Governor, and Washington State Recycling Association. Furthermore, she earned her Master's Degree in Strategic Communications from Washington State University in 2018. Yes, you will hear her say, "Go Cougs!" from time to time.

Sabrina is excited to join the City of Oak Harbor team and is in the process of moving to this City so she can become a part of our community. With COVID-19 she is waiting until the pandemic passes to get around. But, she is looking forward to meeting you in the future. Please email her at scombs@oakharbor.org or call her at 360-279-4503, to introduce yourself and set up a future time to meet.
