

Commercial Recycling Request Form

Please read the following program information details:

- Recycling rollcars are available in two sizes, 65 and 95 gallons.
- This program is available for one time per week collection service until the program is expanded.
- Customers are allowed one free rollcart per dumpster. Extra rollcars are available for a fee of \$8.00 per cart per month.
- On the day your recycling rollcart is delivered, you will be notified of your collection day and the location the cart needs to be placed for collection.
- The rollcart must be placed curbside at 7:00 a.m. on the scheduled collection day.
- A fee of \$63.30 will be charged for contaminated recycle carts.
- Rollcars must be removed from the curb at the end of the scheduled collection day.
- Customers may be charged a replacement fee for lost, stolen or damaged rollcars, due to neglect.
- In order to keep the automated program running efficiently, all recyclables - including cardboard - must be placed inside the rollcart.
- On holidays, recycling will generally be collected on the next business day. Please refer to the City's holiday schedule for more information.

I have read and accept the conditions of the Commercial Recycling Program.
