

## Fish Friendly Car Wash Fundraisers

The worst pollution in Puget Sound comes from our storm water. Wastewater from inside our homes, schools and businesses goes down the drain and into a treatment plant, but water from outside goes into storm drains and directly into Puget Sound – *untreated*.

Your fundraising car wash is one of many that will take place in Oak Harbor this season. Car washes can be a significant source of pollutants. To help minimize harmful impacts and ensure your compliance with city code, we will loan your organization an environmentally friendly car wash kit for your fundraising event. The kit will divert the water to a sewer drain. It includes a sink, pump, hose, and extension cord and traffic cones, with easy step-by-step instructions.

Visit [www.oakharbor.org](http://www.oakharbor.org) and look under Links. Click on “Car Wash Fundraisers”. A brochure “Storm Water Discharge and Car Wash Fundraisers” is also available. Choose an approved site or Woody’s Car Wash below.

To see how to set up a car wash kit, watch this: <http://www.youtube.com/watch?v=ZKKdq4RNNdU>

**When your car wash is over, please make sure the kit is wiped down, dried, in good working order and stowed in the yellow bag. Then return it to the Oak Harbor Municipal Shop at 1400 NE 16<sup>th</sup> Avenue, Oak Harbor, between 7:30 a.m. and 3:00 p.m. Monday through Friday. For more information contact Kindle Sullivan at 279-4765 or 914-7994.**
